Other aspects of the course include barbecue theory, meat and fish selection, barbecue pits and hardwoods, theory and practice of rub and sauce making with actual making of rub for use in the course. All meat, rub materials, wood and some charcoal will be furnished to teams. All meats will be judged as part of the judging class and winners will receive ribbons.

Cooks should bring their own non-gas cookers: a 22" backyard kettle or vertical water pan smoker like Charbroil or Weber Smokey Mountain is recommended. Cooks should also bring knives, paper towels, tongs, bucket, cutting boards, a sturdy table, foil, hot mitt or hot pads, chairs, large bowl, fire starting equipment (chimney or fire starter). 8' x 8' or 10' x 10' pop-up tents are useful in case it rains (or shines). Students without pits will be loaned pits by experienced class helpers.
